Lani,

The comment letter for Portland Harbor isn't final yet, so I can't talk about at this time. Once it's final, I'll provide a summary. Thanks!

Subject: News for the next OHHRRAF Newsletter

Good morning – I'm working with Abe Parker at EMS on the production of the next OHHRRAF newsletter. If you have any news regarding the Remedy Review Board's activities for this month's newsletter, I would appreciate it if you could e-mail it to me by **Thursday, Dec. 24**.

The states newsletter will include all Risk News, Events, and Training items; the states newsletter will not include reports or information from internal EPA workgroups.

Thanks very much, and happy holidays!
